Congress Enacts Key Student Financial Aid Relief Measures in the Wake of Katrina, Considering Even More...

by Bethany Williard and Tom Netting

Following Hurricane Katrina, Congress gave the Secretary of Education the authority to relieve restrictions on federal aid for students in the disaster areas, and, in October, various other measures were introduced in the House to help relieve student financial aid obligations. p.1

'We Lost Almost Everything'

Disaster Recovery Plan, Paperless System Allows Grantham University to Continue Operations Without Interruption

with Christine A. Shelly

Because of their advance planning and paperless systems, Grantham University was able to continue its distance learning operation without interruption from Hurricane Katrina, even with relocation to Kansas City. p.3

The Financial Front

Practical Advice for Bridging the Opportunity Gap in Higher Education

with Leo Kornfeld

A Clinton Administration appointee and creator of the Direct Student Loan program, Leo Kornfeld is concerned that qualified but economically disadvantaged students are not able to access college, which impacts them, their families and the country at large. p.9

Commission on Higher Education Future Holds First Roundtable

At the first meeting of the Commission, Secretary Spellings expressed concern that federal dollars account for nearly one-third of higher education funding, a fact that justifies the desire to know whether or not it is spent wisely. She further commented that, "It's time to examine how we can maximize our investment in higher education, including our federal dollars." p.14

Conference Reports:

ACCET—Accrediting Council for Continuing Education and Training Convention coverage includes:
